

REMARKS

Applicant's counsel thanks the Examiner for the careful consideration given the application. The Specification has been amended by inserting the subject matter of claims 13, 15, 17 and 18 into the specification; no new matter has been added.

In response to the Office action mailed June 3, 2004, applicant continues to elect Species I, which is directed to Fig. 1. In response to the Examiner's request, applicant has reconsidered the claims readable on the elected Species I; applicant hereby states that claims 1-12, 14, 16, and 19-37 are readable on the elected Species I. As the Examiner can see, applicant is no longer contending that claims 13, 15, 17 and 18 are readable on the elected Species I.

If any further fees result from this communication, please charge same to our Deposit Account No. 16-0820, our Order No.33398.

Respectfully submitted,
